

Freemasonry

Freemasonry can affect people down through the generations and across extended families. This prayer is very effective in bringing freedom and restoring what has been stolen.

Start with the Courtroom Prayer.

The prophetic activation regarding Freemasonry is used in conjunction with the 'Courtroom Prayer' which can also be used with strong generational issues.

It is used before you get your client to pray 'I repent for partnering with Freemasonry (by virtue of the fact that it's in the family line)' use the phrasing in brackets if they personally have not been involved with Freemasonry.

You might need to adapt wording according to your guest's experience E.g. they might have worked for a Freemason and come under the influence of Freemasonry. Above all be led by Holy Spirit.

This prayer is most effective when the person prophetically "acts out" what they are praying.

- "I prophetically take off the hoodwink which speaks of confusion, I cast it to the cross and I declare Jesus wants me to have a sound mind. "
- "I prophetically take off the blindfold, which inhibits my ability to see, and cast it to the cross and I declare Jesus wants me to see as He sees "
- "I prophetically remove the noose, which speaks of control, from around my neck and cast it to the cross and I declare Jesus died that I might have free will. "
- "I prophetically remove the dagger from my breast, which speaks of trauma, respiratory & heart problems, and cast it to the cross and I declare that by his stripes I am healed. "
- "I prophetically take off the gloves which act as a barrier, I cast them at the cross, I declare that my hands are made for blessing and impartation. "
- "I take off the false wedding ring which speaks of a counterfeit covenant, I cast it to the cross and declare that I am part of the bride of Christ. "

- "I prophetically take hold of the paupers' penny, which speaks of poverty and an orphan's heart, and cast it to the cross and declare that I am a joint heir with Christ seated with Him in Heavenly places".
- "I prophetically take off the apron which covers my reproductive organs and cast it at the cross, I align with scripture that I am to be physically & spiritually fruitful. "
- "I prophetically take off the ball and chain which speaks of slavery and being a prisoner, I cast them at the cross and I declare that whom the Son sets free is free indeed."

"I renounce partnering with this spirit of Freemasonry.

Jesus, will you take the spirit of Freemasonry to Father God for Him to announce His decision.

Father God what is your verdict?

They will typically hear something like forgiven, paid in full, finished, set free.

My family has been robbed, I have been robbed – what will You give me in exchange?.

They will hear Heaven's divine exchange.
