

## Generational Issues

### Spiritual – Physical - Learned

*This relates to anything that might come down through the family line. Such things can be physical, spiritual and simply learned behaviours; regardless Jesus can bring freedom.*

*Depending on the source of these issues, they might be dealt with using sozo tools such as Coloured Lenses & Divine Edit.*

*Where an issue does not shift, using this Generational prayer will likely bring break through.*

*Principles of dealing with Generational issues;*

- *Remember, a curse without a cause cannot alight*
- *When we believe the enemies' lies we allow him influence & access to our lives*
- *It will be important to forgive participating family members, as well as themselves.*
- *They will Renounce agreement and / or participating / partnering with the issue.*
- *They will ask Father God to break any "legal contracts" in the spirit realm.*
- *They will tell any ungodly spirits to leave & invite the Holy Spirit to fill them.*

*For Example;*

- *I forgive my Parents, grandparents.*
- *Ask God to break their family free.*
- *Repent & ask forgiveness for any way they have partnered.*
- *They will sever any ungodly agreement they have made.*
- *Father God what do you want to give me in exchange>*

## Example of Generational Prayer

*This sample prayer can be very useful when you first start dealing with the issues that this addresses.*

*As you grow in confidence & experience, we encourage you to "craft them your own prayer along similar lines, whilst keeping to Sozo values & spiritual principles.*

*This will help prevent these sample prayers becoming a "formula" and mere repetition.*

I place the cross of Christ between myself, my parents and my parents' parents, back through the generations.

I ask that the blood of Jesus goes through my bloodline and cleanses every sin and breaks every curse.

As I have forgiven my ancestors for any way in which they opened the door to demonic influence through occult or ungodly practices, idolatry, ungodly vows, covenants or blood oaths, I ask you to forgive them Father God.

Father God will you look back through my family history and find every blessing it was your intention should have been in my family line.

According to your work Father God will you restore into my life and my family's lives and future generations everything the enemy stole.

I align with scripture that says you will restore the years that the locust has eaten.

### Courtroom Prayer

If this prayer does not "shift" the Generational connection and for deep seated issues, you could consider using the Court Room Prayer.
